WHAT'S YOUR 'WHY' FOR RECOVERY?

Every journey begins
with a reason.

Whether it's your health, your
family, your dreams, or just the
truth that you deserve better —
Your 'why' matters.

- Write it down.
- Hold it close.
- Remember it on the tough days.

Because your 'why' is stronger
than any craving, any setback.
Keep moving forward.

Care Foundation Nasha Mukti Kendra
Healing begins with purpose.

Relapse Isn't the End

It's a Reminder to Begin Again

At Care Foundation Nasha Mukti Kendra, we see relapse not as failure —but as part of the healing journey.

Instead of giving up, pause and reflect:

- What led me here?
- What can I do differently?
- How do I move forward?

**Every step counts.
Even the hard ones.
You're growing.
You're learning.
You're not alone.**
